

Hello,

Welcome to the City of Nelson's Official Community Plan Update E-Panel! This is our first E-Panel check-in and we look forward to connecting with you regularly going forward. These check-ins will cover project milestones, public engagement opportunities, what we are hearing from public engagement and what we do with the feedback heard.

**Survey – What's your vision of Nelson in 2050?**

Help us write the vision statement to guide the Official Community Plan's update! The Nelson 2050 Vision Survey asks questions to understand what folks love about Nelson, what they envision for the future and what priorities they want the OCP Update to address. This exercise requires a future-looking perspective, review of current guiding principles and consideration of what challenges there will be as Nelson grows and changes over the next 25 years. The survey will be open until the end of August 2023. Please share the survey with your networks! We have attached a promotional square for social media to this email.
